PROFESSIONAL EXPERIENCE

Senior Lead Analyst – Data Analyst

Hogarth Studios, Gurugram | Sep-2025 – Present

- Orchestrated real-time customer journeys in Adobe Journey Optimizer (AJO) using Push Notifications, SMS, and Email, activating AEP unified profiles to improve retention by 18%.
- Built AEP data pipelines (50+ GB) using PySpark and SQL, ingesting data from SFMC, Adobe Campaign v8, and AEP to enable real-time segmentation and personalization.
- Designed and activated real-time and lookalike audiences in AEP, driving personalized Push and SMS campaigns.
- Created Power BI and Tableau dashboards to track journey performance, engagement, and audience growth, enabling continuous optimization.
- Enforced data governance, consent, and privacy controls in AEP, achieving 100% GDPR and audit compliance.
- Optimized channel mix, and personalization, increasing CTR by 25% and conversion rate by 20% across AJO campaigns.
- Applied Python-based propensity and churn models, feeding insights into AEP audiences to improve retention forecasting accuracy by 30%.
- Managed AEP and AJO user roles, sandboxes, and permissions, ensuring secure activation and 100% authentication compliance.

Senior Team Lead, (Marketing Automation Specialist)

OPK-E-Services, Gurugram | Sep-2023 – Aug-2025

- Designed SQL-driven audience segmentation in Automation Studio & Contact Builder, improving lead quality by 18% and conversion rates by 12%.
- Built and maintained ETL automations integrating Salesforce Marketing Cloud, Marketo, and CRM data using Data Extensions and SQL activities, improving data accuracy by 95%.
- Developed 20+ Tableau dashboards tracking email performance, journey metrics, channel engagement, and campaign ROI, supporting SFMC campaign optimization.

- Delivered behavior-driven insights to optimize Journey Builder flows, send timing, and personalization, driving 20% higher conversions.
- Enforced GDPR and CAN-SPAM compliance through SFMC consent management, suppression logic, and data governance, ensuring 100% regulatory adherence.
- Partnered with sales and product teams to activate insights via SFMC journeys and triggered campaigns, contributing to ₹1M+ in revenue uplift.

Assistant Manager – Email Marketing Operations

Zappian Media, Bhopal | Jan-2021 – Aug-2023

- Managed and optimized campaign data pipelines using Python, SQL-pipelines, and GA4.
- Conducted data cleansing, validation, and governance checks to ensure 100% accuracy across marketing systems.
- Integrated API to automate workflows, resulting in a 10% increase in lead nurturing efficiency.
- Led multivariate A/B testing and statistical analysis to drive 12% uplift in engagement.
- Presented 15+ Power BI reports highlighting segmentation performance and increase revenue by 50%.

Digital Campaigns Manager

Rightful Labs, Bhopal | Jun-2019 – Dec-2020

- Data & Insights: Analyzed CRM and user data for 10M+ contacts to uncover behavioral patterns, designed and automated **10+ SQL-driven KPI dashboards** in Tableau and Google Sheets, and **supported A/B testing** and forecasting initiatives that improved ROI by 15% and optimized targeting accuracy by 20%.
- Marketing Automation & Execution: Executed 1000+ multi-channel campaigns across **Salesforce Marketing Cloud**, ACCV8, Ongage, and HubSpot with 100% accuracy, achieving 28% average open rate, 4.5% CTR, and 22% lift in MQL-to-SQL conversions through advanced segmentation, journey design, and compliant operations (GDPR, CAN-SPAM).
